

Clear All-Weather Vinyl Cover

Enjoy Your Lifestyle Screen, All Year Long!

www.LifestyleScreens.com

The Clear All-Weather Vinyl Cover for your Lifestyle Screens garage door screen is an optional accessory that adapts your Lifestyle screen for year-round use. On cold winter days, use the Lifestyle Cover to impede the flow of cold air into the garage. On hot summer days, use the Lifestyle Cover to impede the flow of hot air into the garage. The Lifestyle Cover mounts easily to the inside of the frame of your Lifestyle screen.

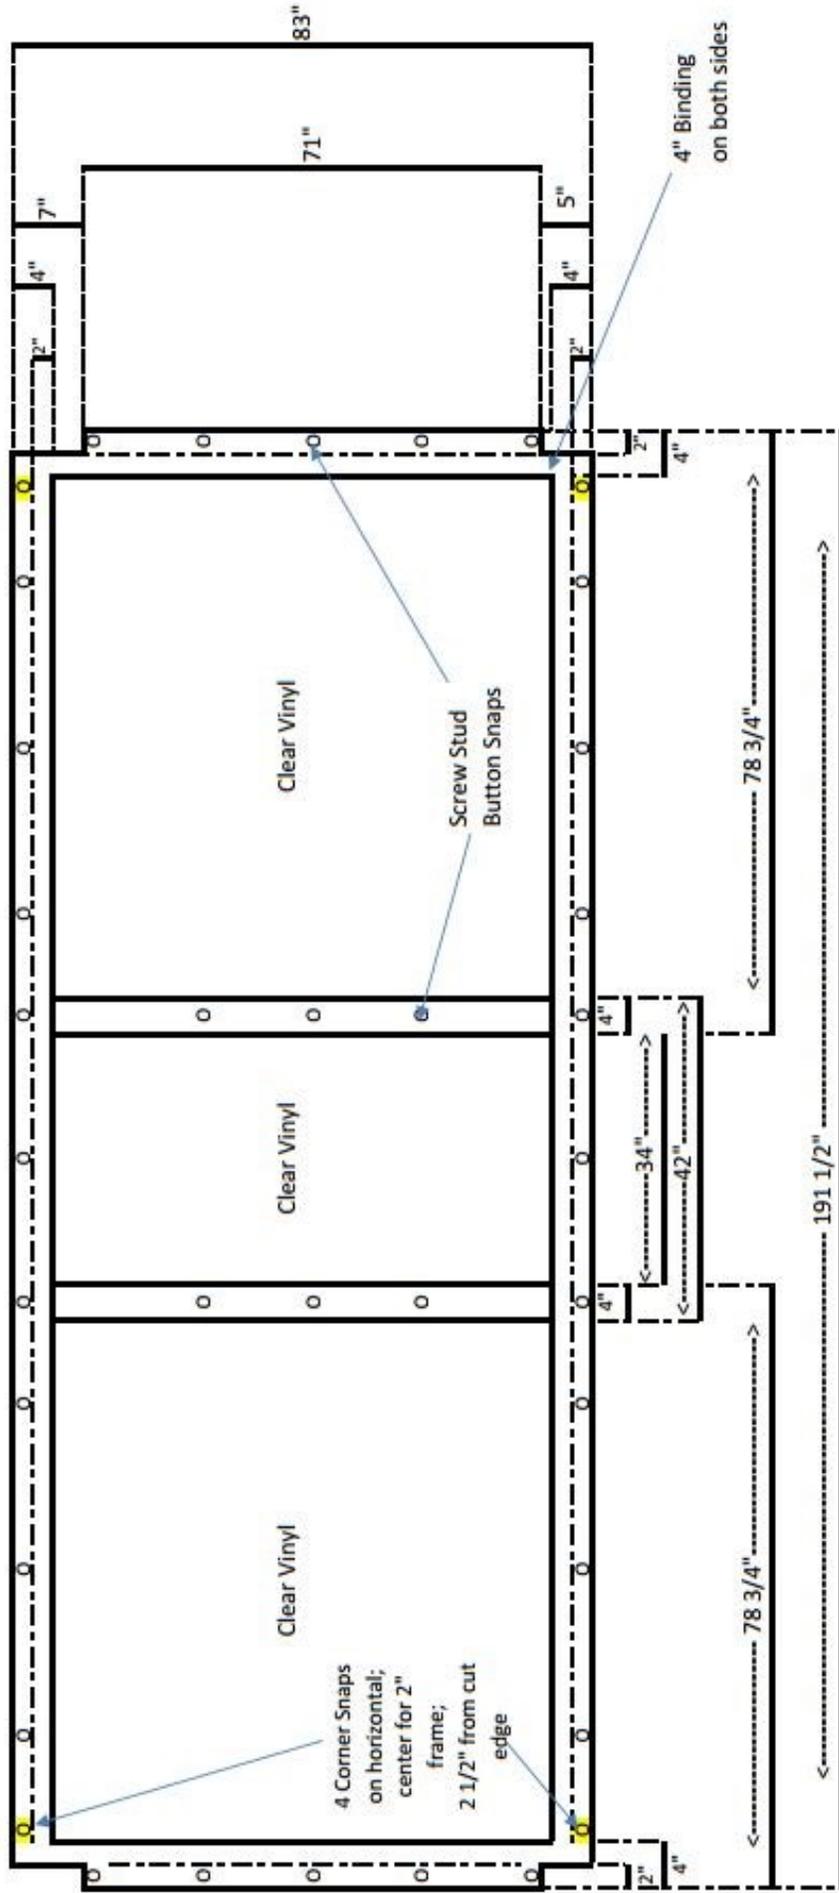

Now you may open up your garage door at any time of year, bring your Lifestyle screen down and enjoy the great outdoors... well... from indoors! It's not just a screen, it's now a four season Lifestyle!

- **Made of 20 gauge vinyl, reinforced with natural grey Weblon.**
- **Stainless steel button snaps attach the Lifestyle Cover to the inside of the Lifestyle frame.**
- **Heavy duty outdoor thread and radio frequency welding used in manufacture.**
- **Snaps on and off quickly.**
- **Roll up and store away quickly and easily.**
- **Available for 7' and 8' tall Lifestyle Screens. Custom orders available.**

Clear All-Weather Vinyl Cover

16 x 7 Model

The CAWVC will not allow for use of the center retractable door if equipped. Light swirl marks and scratches may be visible on the CAWVC due to the manufacturing process. Not suitable for use in high winds.
