

# Genius Retractable Screens

[AdvancedScreenworks.com](http://AdvancedScreenworks.com)

The Olympic retractable screen allows for natural ventilation of medium and large size openings. It's the perfect choice for patio enclosures, gazebos, garage doors and other openings that are up to 10 feet tall and 19 feet wide!

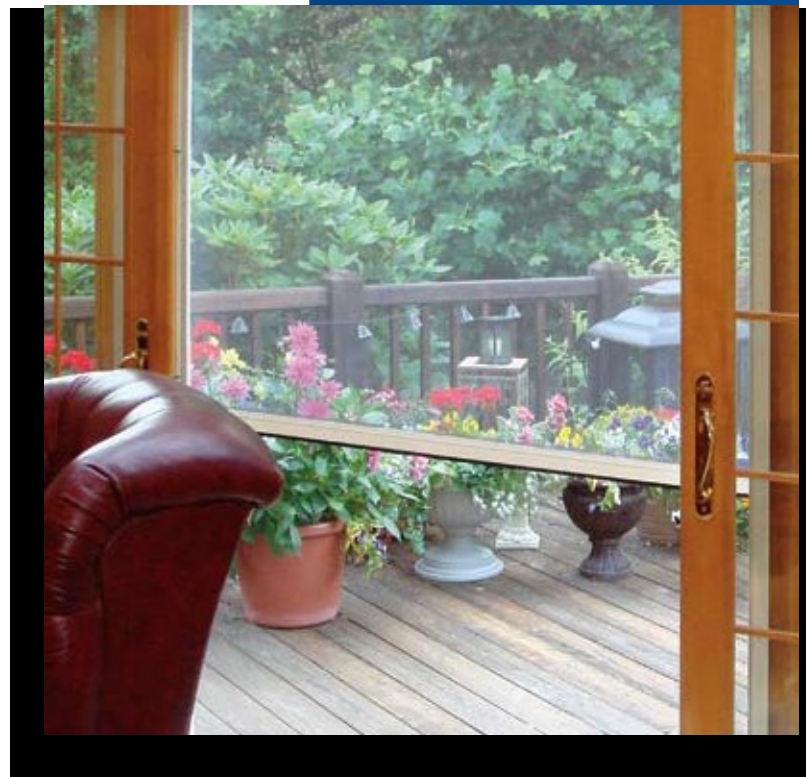

## OLYMPIC

Available in a manual version with pull chain – or motorized with a portable and easy-to-use remote control – the Olympic is another work of **Genius**.
